

Ladies and friends of the Gathering,

We are going to start a ladies craft get together once or twice a month. We would like any of you that have a craft you enjoy to be willing to teach the rest of us; we are open to all suggestions. Our plan is to schedule one during the day and one in the evening so all ladies will be able to attend. Please no children as we would like to spend this time getting to know each other better. Those of you that would like to teach a class please email or call me. We will have some days that you can bring whatever project you are working on and just 'visit', or bring something you would like to learn to do and someone can help you out. If you have no interest in the class being taught that day come anyway and bring your own project to work on.

Anyone willing to teach a craft email me at shalynwa@comcast.net or call me at 432-3560 or 280-8271. We also welcome any men that would like to teach something of interest to 'come forward'. Email me what days of the week and times are best for you and we will try to accommodate as many ladies as we can. We can also rotate days and times for variety.

Another thought is getting together to make something for charity, such as knitting or crocheting hats and scarves for the local shelter.

It would be fun to rotate houses so everyone that would like to host an evening can, let me know if you are interested in being a hostess.
